BMX Is A Crime

Destructive in the love,
When the buddy holly tell me, stay awhile in the scene,
I always want; Iâ€™m always ask to being there,

There something in my home,
Conflict my time, believe my goal,
I notice itâ€™s my world,
Itâ€™s get on time,
I ride BMX,

Hey what you going to do,
What you going to say?
Hey yeah yeah
When you find the way,
Well itâ€™s going to blow.

Mom bless in my heart,
Bless in my world,
This is my drug,
Bless in my work,

Iâ€™m always ask my pen getting my dog to write the
will,
Thereâ€™s nothing in my life,
Itâ€™s getting short frog talk like dad,
Now Iâ€™m coming low,
Iâ€™ve got no chance,
I ride BMX,

Hey what you going to do,
What you going to say?
When you find the way,
Well itâ€™s going to blow

Dead of anti-social
