I can't bend my arms and legs please sign my cast or  
be without me.  
And I'll see the day when you can come to my house  
and play with me.  
See you in the morning.  
Can't you see I'm grounded.  
Underground, go crazy afterall because it's ok for kids.  
We all know, just plain and simple, nothing ever goes  
my way.

And I'll see the day, and I'll kill the day, the day.  
And I'll see the day when you can come to my house  
and play with me.  
See you in the morning.  
Can't you see I'm grounded.  
Underground, go crazy afterall because it's ok for kids.  
We all know, just plain and simple nothing ever goes  
my way.
