Hey, don't write yourself off yet
It's only in your head you feel left out
Or looked down on
Just try your best, try everything you can
And don't you worry what they tell themselves
When you're away.

It just takes some time, little girl in the middle of the
ride
(over, and over)
Everything, everything will be just fine (over, and over)
Everything, everything it'll be alright (alright)

Hey, you know they're all the same
You know you're doing better on your own (on your
own)
So don't buy in.
Live right now
Yeah, just be yourself.
It doesn't matter if it's good enough
For someone else

It just takes some time, little girl you're in the middle of
the
ride (over, and over)
Everthing, everything it'll be just fine (over, and over)

Everything, everything it'll be alright (alright)
It just takes some time, little girl you're in the middle of
the
ride (over, and over)
Everything, everything it'll be just fine (over, and over)
Everything, everything it'll be alright (alright)

Hey, don't write yourself off yet
It's only in your head you feel left out
Or looked down on
Just do your best, do everything you can.
And don't you worry what the bitter hearts, are gonna
say

It just takes some time, little girl you're in the middle of

the
ride (over, and over)
Everything, everything it'll be just fine (over, and over)
Everything, everything it'll be alright (alright).
It just takes some time, little girl you're in the middle of
the
ride (over, and over)
Everything, everything It'll be just fine (over, and over)
Everything, everything it'll be alright (alright)
