Jen,
Don't be scared, No don't be shy
We use to do this all the time
You know it Jen

Jen,
We could be happy now
So jet across the coast and country, Jen
And sometimes Jennifer,
Live for too long and then your chance is gone

The choice we're meant to make
Is one we'll never take
All you have to do is say

Jen,
Don't be scared, no don't be shy
We used to do this all the time
Ya-Ya-You know it Jen
It's you and me, what could that mean?
You can't pretend we're only friends then walk away.

Jen,
I think you tried just a little hard
Acting like something that you're not
Jen
I wanna make you feel the way you should
You have to let things go to keep them close
What we do today
Already has a name
Is anything but a mistake

Jen,
Don't be scared, no don't be shy
We used to do this all the time
Ya-Ya-You know it Jen
It's you and me, what could that mean?
You can't pretend we're only friends then walk away.

Ooooohh
Oooohhh
Oooooo

No one's looking now
Take a chance, come on
Could do anything you want

Jen
Put your arms around someone soft
Take it as it comes, trust your heart
Trust me

You know it, Jen
Put your arms around someone soft
Take it as it comes, trust your heart
Trust me

You know it, Jen
Put your arms around someone soft
Take it as it comes, trust your heart
Trust me

Trust your heart, trust me
You know it, Jen
