If you only once would let me  
Only just one time  
Then be happy with the consequence  
With whatever's gonna happen tonight

Don't think we're not serious  
When's it ever not  
The love we make is give and it's take  
I'm game to play along

All I can say, I shouldn't say  
Can we take a ride?  
Get out of this place  
While we still have time

All the best DJ's are saving  
The slowest song for last  
When the dance is through it's me and you  
Come on, would it really be so bad?

The things we think might be the same  
But I won't fight for more  
It's just not me to wear it on my sleeve  
Count on that for sure

All I can say, I shouldn't say  
Can we take a ride?  
Get out of this place  
While we still have time

You wanna take a ride  
Get out of this place  
While we still have time  
Yeah, we still have time

Can't say I was never wrong  
But some blame rests on you  
Work and play they're never okay  
To mix the way we do

All I can say, I shouldn't say  
Can we take a ride?

Get out of this place  
While we still have time

You wanna take a ride  
Get out of this place  
While we still have time  
Yeah, we still have time
