I was scared  
But once I thought about, let it go  
Everything she said to me  
I guess I oughta know  
But we're all tired of talk  
When it comes to shove  
Put up, put out or stay at home

We'll never be the same  
Never feel this way again  
I'd give you anything  
But you want pain  
A little water please  
I taste you all over my teeth  
Never again, just tonight, okay

All at once the music stopped  
The feeling went away  
An ugly picture of me and you  
But nothing I can change  
You know what happens  
With the lights back on  
The less you know  
The more you want  
You want, you want

We'll never be the same  
Never feel this way again  
I'd give you anything  
But you want pain  
A little water please  
I taste you all over my teeth  
Never again, just tonight, okay

We'll never be the same  
Never feel this way again  
I'd give you anything  
But you want pain  
A little water please  
I taste you all over my teeth  
Never again, just tonight, okay

(Hoo, hoo, hoo, hoo)  
(Hoo, hoo, hoo, hoo)  
(Hoo, hoo, hoo, hoo)  
(Hoo, hoo, hoo, hoo)

We'll never be the same  
Never feel this way again  
I'd give you anything  
But you want pain  
A little water please  
I taste you all over my teeth  
Never again, just tonight, okay

We'll never be the same  
Never feel this way again  
We'll never be the same  
Never feel this way again  
And we'll never be the same  
Never feel this way again  
Never again, just tonight, okay
