Jimmy Eat World LYRICS

"Polaris"

I'll say it straight and plain  
I know I've made mistakes  
I've always been afraid  
I've always been afraid

A thousand nights or more  
I travel east and north  
Please answer the door

Can you tell me  
You say that love goes anywhere  
In your darkest time, it's just enough to know it's there  
When you go, I'll let you be  
But you're killing everything in me

Get down on your knees  
Whisper what I need  
Something pretty  
Something pretty

I feel that when I'm old  
I'll look at you and know  
The world was beautiful

Then you tell me...  
You say that love goes anywhere  
In your darkest time, it's just enough to know it's there  
When you go, I'll let you be  
But you're killing everything in me

I'm done, there's nothing left to show  
I try but can't let it go  
Are you happy where you're standing still?  
Do you really want the sugar pill?  
I'll wake up tomorrow and I'll start  
Tonight it feels so hard  
As the train approaches Gare Du Nord

As I'm sure your kiss remains employed  
Am I only dreaming?

You say that love goes anywhere  
In your darkest time, it's just enough to know it's there  
When you go, I'll let you be  
But you're killing everything in me

When you go, I'll let you be  
But you're killing everything in me
