"My Sundown"

I see it around me
I see it in everything
I could be so much
More than this

I said my goodbye's
This is my sundown
I'm gonna be so much
More than this

With one hand high
You'll show them your progress
You'll take your time but no one cares
No one cares, no one cares

I need you to show me
The way from crazy
I wanna be so much
More than this

With one hand high
You'll show them your progress
You'll take your time
But no one cares

With one hand high
(With one hand high)
You'll show them your progress
You'll take your time but no one cares
(You'll take your time)
No one cares, no one cares

(No one cares)
I could be so much
More than this
(No one cares)
I wanna be so much
More than this

(No one cares)
I could be so much
More than this

(No one cares)
I wanna be so much
More than this

(No one cares)
I wanna be so much
More than this
(No one cares)
I wanna be so much
More than this

Good, goodbye lovely time
Good, goodbye tin sunshine
Good, goodbye, I'll be fine
Good, goodbye, good, goodnight
