Hold them down, all bleeding suspects
(Just because, just 'cause, just who are you?)
Like candle light, burn burn burn, baby
(Burn, burn, whose turn, who gets a taste today?)

We've done nothing wrong
But we've done nothing
We can't look away
But we're just looking in
It's second nature to say
Hey, hey, hey
We've done nothing wrong

Turn them off, all blacklist singers
(Don't ask why, don't cry, don't make a scene)
A forty-five, spin spin spin, give in
(Spin spin, who wins, who's not afraid to play?)

We've done nothing wrong
But we've done nothing
We can't look away
But we're just looking in
It's second nature to say
Hey, hey, hey
We've done nothing but

Nothing but take what's handed down
Said nothing but words approved to shout
We wanna know that we own the cake we're eating
Spit it out, out, out

Hold them down
(Burn, burn)
Hold them down, all bleeding suspects
Turn them off
(Turn, turn)
Turn them off, all blacklist singers

We've done nothing wrong
But we've done nothing
We can't look away
But we're just looking in

It's second nature to say
Hey hey hey
We've done nothing wrong
We've done nothing wrong
We've done nothing wrong
