Play your hand  
Don't play it off  
Don't play that game

Out of touch  
There is no pride  
In seconds lost

First cello suite  
I know, I'm late  
What do you care

Stop dragging feet  
We can't go back  
For seconds lost

Drive by don't stop  
Drive by don't stop  
Hate wins don't stop  
Hate wins don't stop

Smooth the sheets  
No one was here  
And never will

Wind your watch  
For seconds gone

Drive by don't stop  
Drive by don't stop  
Hate wins don't stop  
Hate wins don't stop
