You and I
We might be strangers
How ever close we get sometimes
Its like we never met
But you and I
I think we can take it
All the good with the bad
Make something that no one else has, But
You and I
You and I
Me and You
What can we do
When the words we use
sometimes are misconstrued

Well I won't guess
Whats coming next
I can't ever tell you're
The deepest well
I've ever fallen into

Oh I don't wanna know
Oh I don't wanna know
Oh I don't need to know
Everything about you
Oh I don't wanna know
And you don't need to know
That much about me

You and I
We might be strangers
How ever close we get sometimes
It's like we never met
But you and I
I think we can take it
All the good with the bad
Make something that no one else has, But
You and I
You and I
You and I
You and I

You and I
You and I
