when your on, I swear your on.
ooooouut, you rip my heart out.
I feel the whole room, can hear me clear my troat.
ooooouut, you rip my heart out.

If You still care at all
Don't go tell me now.
If You love me at all.
Don't call.

Then Out of nowhere, you put me right back there.
ooooouut, you rip my heart out.
And we know what happens when we get to your
house.
ooooouut, you rip my heart out.

If You still care at all
Don't go tell me now.
If You love me at all
please don't tell me now.
If you still care at all.
don't go tell me now.
If You love me at all.
Don't call.

(Tom doing a guitar solo)

I trow evrything i writen you ohh anything just keep my
mind from thinking.
i had you once and I can't forget that.
Some times I wish I could lose you again.

When im winning you over with evrything you say
ooooouut, you rip my heart out.
when i let you closer, I only want you closer
ooooouut, you rip my heart out.

If You still care at all
Don't go tell me now.
If You love me at all
please don't tell me now.

If You still care at all
Don't go tell me now
If you love me at all.
Don't call.
