When I hug my baby
Mmm, what a thrill
When I kiss my baby
Mmm, what a chill

She's got that love bug
Crawling down my spine

Well, I know that she loves me
I know that she'll be true
But she loves me even more
When I whisper I love you

When I love my baby
Mmm, what a thrill
When I hold my baby
Mmm, what a chill

She's got that love bug
Crawling down my spine

Well, I know that she loves me
I know that she'll be true
But she loves me even more
When I whisper I love you

When I squeeze my baby
Mmm, what a time
You know I'll please my baby
Mmm, all the time

She's got that love bug
Crawling down my spine

Well, I know that she loves me
I know that she'll be true
But she loves me even more
When I whisper I love you

When I hug my baby
Mmm, what a thrill
When I kiss my baby

Mmm, what a chill

She's got that love bug
Crawling down my spine
