(Scratches in)

Go back to your dorm you got your roommates and  
that never works out.

(Crowd laughs)

That never works out.They don't want it to work out they  
they want it so  
It's like a Real World episode in your dorm room.  
(Crowd Laughs)Like I don't  
Understand like they have those compatibility tests you  
filled out at the  
Beginning of the year that's such a joke that test you fill  
out of the  
Beginning of the year it's like

(in character voice ::student::) Umm I like rock and roll  
like staying out  
Late and I love the ladies oh yea OOOO!

(Crowd Laughs)

(As adult)Okay we've got a perfect roommate for you  
he's an opera major, he's  
A narcoleptic and he's gay so go fight each other we've  
got four camera angles  
that'll be perfect welcome to college go screw your self

(as student)HUH yeah that's what we say here go  
ahead.

(Jimmy Normally)Then you think you say okay I got Pete  
my buddy from high  
School is coming up he's gonna be my room mate it's  
gonna be awesomeNo that is  
Never awesome it doesn't work out No it doesn't  
(Laughter) hate to tell you  
You will fight each other you will just get you just get I  
tell you why one  
Is they have too much dirt on you your friend from  
home has too much dirt

They'll kill you they'll crush you in an argument for no  
reason like you just  
Say

Hey man the dishes have been in the sink for two  
weeks man they're your dishes  
Are you going to clean them or what??

(Roommates voice)Yea you remember when you had  
crabs in sixth grade

(Crowd Laughs)LONG PAUSE

Not fair to bring up my crabs.?
