Well my freshman year we had a awesome RA the best  
RA in the world  
I wish he was with me all my 4 years, his name was  
Arnold Baldwin  
We had this RA, Arnold Baldwin  
This Big, Tall, Skinny Black guy  
And he talked exactly like chris rock  
And we loved him because he didn't give a crap about  
us  
He didn't care hes like. . . . .  
Im your RA, resident Assistant  
Resident assistant  
Im not the resident counciler  
Im not the resident mother  
I dont need to know everything  
Your friends throwing up in the bathroom  
I dont need to know  
Everybody throws up, hes lucky he made it to the  
bathroom  
Just give him a tic-tak and a pillow and leave him alone  
Leave him alone  
I dont need to know  
Your sweetmate smoking crack  
I dont need to know  
Just tell him to exahle through a empty toliet paper roll  
stuffed with dryer sheets  
Make it smell like the mountain spring freshness of  
crack  
I dont need to know  
I dont need to know if you got a 40 once beer ball keg  
Playing beer pong  
Flip cup  
Century club  
Got some zoomey zoomey going on  
I dont need to know  
Cause I dont care  
Your girlfriend broke up woth you  
I dont care  
Your roomates a pain in the ass  
I dont care  
You make a booty call at 4 in the mourning and she got  
a friend

I CARE  
REMEMBER ME
