REFRAIN

I've been daisy petal pickin'
To see if she loves me
Well I've been daisy petal pickin'
To see what our future's gonna be

Her lips are warm and tender
Her eyes like a candle's glow
Although I think she loves me
She never really ever lets me know
So

REFRAIN

One little petal from the daisy
Says that she loves me
The next one says she loves me not
So what am I gonna believe
Well

REFRAIN

We go riding every Sunday
Right by the daisy hill
I wonder if she loves me
Or if she loves me not
Maybe the daisies will tell
So

REFRAIN

I've been daisy petal pickin'
Yeah pick, pick, pick, pickin'
She loves me she loves me not
She loves me she loves me not
Just pickin' daisies.
