Oh oh ohhhhh

I never thought you'd go that far
I never even saw a scar
You lay down all around
Candles all around you

I never would have called you cold
I never would have told you go
You shut out all the light
And had the nerve to try
You surprised me, Bay-by
You surprised me bay-baybaby baby

Come down come down slow
you know that all is lost
Soon you'll rest your soul
Soon you'll rest your
Remember when you were young
you never thought it'd come
To a time when I'd send
my child to kill a child
I can't believe that even one
is worth the greed of some
How on earth can you send
A child to kill a child

You'll realize when it's too late
You'll realize when...

You come back, come back home
and tell them all is lost

Soon you'll rest your soul
Soon you'll rest your soul

Ohhhh oh oh oh
Ohhhh oh oh oh
So come back, come back home
And tell them all is lost

Soon you'll rest your soul

Soon you'll rest your soul
