I want to know know know  
(How can I forget)  
I got to know know know  
(How can I forget)  
How can I forget?

When I was lonely  
She'd shake away the blues  
When I was down and out  
She even bought me shoes

So tell me tell me tell me  
(How can I forget)  
How how how?  
(How can I forget)  
How can I forget?  
(Forget her)

Yesterday she left me  
For somebody new  
My friends all say, "Forget her  
Go out and do the same thing too"

How?  
When her kiss  
My lips  
And my cheek  
Fingertips  
Since she been gone  
I can't sleep at night  
And since she been gone  
Can't see the light

Oh tell me tell me tell me  
(How can I forget)  
How? how? how?  
(How can I forget)  
How can I forget?  
(How can I forget)

Oh! oh! how!  
(How can I forget)

How can I forget?  
(How can I forget)  
How can I forget?  
(How can I forget)

Oh! oh oh!

How?  
(How can I forget)
