Heart Like A Wheel
Human League

Calling up the promised land. Johnny Seven's coming
over
the sea. He's taking your time. When you want to be
free.

Holding out a helping hand. Are you ready for a real
career? Will you be so cool. When it's happening here?

It don't say nothing that I haven't heard. If what I hear is
true. You won't keep the law with a broken word. So
what
are you going to do?

Heart like a wheel. Turning away from anything that's
real.
Heart like a wheel. Changing in time. Beating colder
steel.

Pass the message around the world. The medium is in
retreat. The power is here. And packing some heat.

Sell your soul to a holy war. Set the captive free. We
make
no promises anymore. But it isn't fooling me

Heart like a wheel. Turning away from anything that's
real.
Heart like a wheel. Changing in time beating colder
steel.

You can't keep the wheels turnign anymore. With
anger,
blood and fear. Or make any friends with an M16. When
you blast your way through here.

Heart like a wheel. Turning away from anything that's
real.
Heart like a wheel. Changing in time beating colder

steel.

Heart like a wheel. Turning away from anything that's
real.

Heart like a wheel. Changing in time beating colder
steel.

Heart like a wheel. Turning away from anything that's
real.

Heart like a wheel. Driving the world is going to be a
steal.
