Try me (try me) try me (try me)
Darling tell me, I need you

Try me (try me) try me (try me)
And your love will always be true
Oh, I need you (I need you)

Hold me (hold me) hold me (hold me)
I want you right here by my side

Hold me (hold me) hold me (hold me)
And your love, we won't hide
Oh, I need you (I need you)

(Try me, try me)

Oh, I need you (I need you)

Oh, walk with me (walk with me)
Talk with me (talk with me)
I want you to stop my
Heart from crying

Walk with me (walk with me)
Talk with me (talk with me)
And your love
Stop my heart from crying

Oh, I need you (I need you)
I need you (try me)
