Everybody line up  
The show is about to start  
Everybody line up  
The show is about to start

Places

The show is about to start  
You have to show a look, have a look or give a look

Faces  
Beautiful  
No one ugly allowed

Hahahahaha  
Hahahahaha

Are you ready  
Here we go

Fashion is the art  
Designers are the gods  
Models play the part of angels in the dark  
Which one of you would ever dare to go against  
That beauty is a trade and everyone is paid

(Chorus)

Fashionista  
How do you look?  
Fashionista  
How do you look?

New York, London, Paris, Milan  
Tokyo, I think it's in Japan

Asia, Malasia, Las Vegas to play, L.A.  
If you pay my way

(Chorus)

Fashionista

How do you look?  
Fashionista  
How do you look?  
Fashionista  
How do you look?  
Fashionista  
How do you look?  
Who you're wearing?

Schon, John, Calvin Klein  
Donna Karan's fashion line  
Valentino, YSL  
FerrÃ©gamo and Channel  
Halston, Gucci, Fiorucci  
Don't forget my Pucci  
Fendi and Armani  
God I miss Gianni  
Kenneth Cole, Michael Kors  
Mr. Ford I can't afford  
D&G and BCBG  
Looking good is never easy  
Alexander Hercovitch  
Naomi Campbell's such a bitch  
I wanna be delgada  
To fit into my Prada  
Oscar de La Renta, Louis Vuitton  
Imitation of Christ  
Beauty has a price

Fashionista  
How do you look?  
Fashionista  
How do you look?  
Fashionista  
How do you look?  
Fashionista  
How do you look?

What are you wearing?
