There is a girl she is everything to me
I close my eyes and this girl is all I see
I like her smile
Yes I do
Yes I do
Yes I do
And every time I look into her eyes
I see this blue-eyed angel in the skys
Shes all I need and she's all I really want
Really want
I can see her, when Im dreaming
Wish my dreams could be true
Someday, somehow
You will be mine
And I will be yours, I now
Someday, somehow
All that I want
Is to spend all my time with you
Someday I do
My heart is breaking every time I see her face
I like to hear every single word she says
And I do like you
Yes I do
Yes I do
Yes I do
I can see her, when Im dreaming
Wish my dreams could be true
Someday, somehow
You will be mine
And I will be yours, I now
Someday, somehow
All that I want
Is to spend all my time with you
Someday I do
Wanna feel her, wanna hold her
Oh this girl so fine
And I need her, and I want her
Gonna make her mine
Someday, somehow
You will be mine
And I will be yours, I now
Someday, somehow

All that I want
Is to spend all my time with you
Someday I do
