Here I am with a broken heart,  
My whole world is falling apart.  
Here I am feeling low,  
All you ever say is 'I told you so.'

You say, "I told you so,  
I try to let you talk to me  
'I told you so, '  
That's all you ever say to me."  
Well here I am, I guess you win  
"I told you so;" quit rubbin' it in.

Here I sit in misery,  
You ain't got no sense of me  
Here I am feeling low,  
All you ever say is 'I told you so.'

You say, 'I told you so,  
I try to let you talk to me  
'I told you so, '  
That's all you ever say to me."  
Well, here I am, I guess you win  
"I told you so;" quit rubbin' it in.

(Instrumental break)

You think you show some pity for my broken heart,  
All you do is stand around looking smart.  
You say, "I told you so,  
I try to let you talk to me.  
'I told you so, '  
That's all you ever say to me."  
Well, here I am, I guess you win.  
"I told you so;" quit rubbin' it in.
