Now just because you're pretty, and you think you're
mighty wise
You tell me that you love me, then you roll those big
brown eyes
When I saw you last week, your eyes were turnin' black
Go find the guy that beat you up - ask him to take you
back

Don't roll those bloodshot eyes at me
I can see you've been out on a spree
Well, it's plain that you're lyin'
When you say that you've been cryin'
Don't roll those bloodshot eyes at me

I used to spend my money, just to make you look real
sweet
I wanted to be proud of you when we walked down the
street
Now don't ask me to dress you up, in satin and in silk
Your eyes look like two cherries in a glass of bottled
milk

Don't roll those bloodshot eyes at me
I can see you've been out on a spree
Well, it's plain that you're lyin'
When you say that you've been cryin'
Don't roll those bloodshot eyes at me

I guess our little romance has finally simmered down
You should join the circus, then you make a real good
clown
Your eyes look like a roadmap, I'm scared to smell your
breath
You better shut those peepers, or you'll bleed yourself
to death

Don't roll those bloodshot eyes at me
I can see you've been out on a spree
Well, it's plain that you're lyin'
When you say that you've been cryin'
Don't roll those bloodshot eyes at me
