I understand just how you feel  
You said we're through, what can I do  
It's over now, but it was grand  
I understand

If you ever change your mind  
Come back to me, and you will find  
Me waiting here, at your command  
I understand

Oh, I miss you so, please believe me when I tell you  
I just can't stand to see you go, oh, you know

Please understand just how I feel  
Your love for me, why not reveal  
And we will find our love is real  
We'll understand

Oh, I miss you so, please believe me when I tell you  
I just can't stand to see you go, oh, you know

Please understand just how I feel  
Your love for me, why not reveal  
And we will find our love is real  
We'll understand
