In the chilly hours and minutes of uncertainty  
I wanna be in the warm hold  
Of your loving mind

To feel you all around me  
And to take your hand along the sand  
Ah but I may as well try and catch the wind

When sundown pales the sky  
I wanna hide a while behind your smile  
And everywhere I'd look, your eyes I'd find

For me to love you now would be the sweetest thing  
It would make me sing  
Ah, but I may as well try and catch the wind

Diddy, da da, la da da, da da da  
Ya da da, da da, la da

When rain has hung the leaves with tears  
I want you near to kill my fears  
To help me to leave all my blues behind

For standing in your heart  
Is where I wanna be and I long to be  
Ah, but I may as well try and catch the wind

Ah, but I may as well try and catch the wind  
Ah, but I may as well try and catch the wind  
Ah, but I may as well try and catch the wind  
Ah, but I may as well try and catch the wind
