You say I done it wrong again
They say I left myself with nothing much to give
And they try and show me how to live
I must be good, repent and forgive

But I've been asleep for weeks on end
I've got the time I like to watch the cricket and
If they say I lead an empty life
My mouth is shut you won't get any information from me

Don't wanna talk about it now

You'll never ever force my hand
My head is always buried way down in the sand
You can say I lead an empty life
But I've never found it easy to decide

Dressed you up in uniform
Did they pick on you when you were weak and they were strong?
Who told you that I'm not on form?
My mouth is shut you won't get any information from me

I don't wanna talk about it now
No I don't wanna talk about it now
You can knock on my door, keep ringing my bell
If you're coming for Jesus or coming to sell
I've got no more money but I've got the knack
If I sit long enough it all falls in my lap

I can never pay enough of bills
I spend my money, will I enjoy the time it kills
I won't fix my life cos it ain't bust
You can come again - you won't see me for dust

No I don't wanna talk about it now
No I don't wanna talk about it now

I don't wanna talk about it
I don't wanna talk about it

Shush, shush, shush!
Stop trying to talk about it
Don't wanna talk about it
