Mickey wishes he was dead  
Draws the sheet across his head  
Never felt so alive

Moved him in to share the bed  
Turns out he shared the hurt instead  
Was it all worthwhile?

Must have been funny, must have been dim  
Cut it up and let it all in  
I don't want you to go  
I just need you to know

And in the house she wouldn't dare  
Hang this guilty frame with stares  
Naked in a fray

I'll be the shortest person there  
Oh god I'm losing all my hair  
It won't suit my style

Must have been funny, must have been dim  
Cut it up and let it all in  
I don't want you to go  
I just need you to know

She gave me nothing that I could bear to lose  
And if he reaches for the door  
Make sure he'll touch the wood and pause  
Ask me back for more

We'll still shove us down the stairs  
Still get in each other's hair  
If there's any left then

Must have been funny, must have been dim  
Cut it up and let it all in  
I don't want you to go  
I just need you to know

Do you want him to go?  
Do you push him to go?

What does baby like?  
What does she like?  
Where does she hide?  
What does she like?  
What does she like?  
Where does she hide?  
Where does she hide?  
Why does she lie?
