Sitting up  
On pretzel legs  
Tracing shapes  
Outlining  
Bunny rabbit clouds

In a blink  
They fade away  
Making room  
That others  
They may  
Come around

[Chorus:]  
These days come  
They're coming  
Oh, so fast  
These days still  
How we wish to last

Sitting underneath  
Our tree  
Carving hearts  
Around the letters  
Of our names

How we pray  
That it won't end  
(Lord we're gonna pray)  
Though we know some how  
It never stays the same  
[Chorus]

I know  
It's hard to only  
Imagine a time  
When we're gone

But when you come  
And hold me  
Time  
She won't move us along

Little baby  
Dance up high  
Pay no mind to Mother  
As she goes on by

From the ceiling  
To the ground  
Up and down goes baby  
Dancing round and round

[Chorus]

These days come  
They're coming  
Oh, so fast  
These days still  
You know  
They're meant to pass
