Some people drink champagne out under the stars  
While others drink wine leaning over a bar  
But all that I need dear to make me feel fine  
Is to know that your love will forever be mine

I'd give an ocean of diamonds or a world filled with  
flowers  
To hold you closely for just a few hours  
Hear you whisper softly that you love me too  
Would change all the dark clouds to bluest of blue

I don't drink their champagne and I don't drink their  
wine  
So, if you refuse me, my poor heart will pine  
I'll be so lonely till the day that I die  
And as long as I live dear, you'll still hear me cry
