She says 'it's not you - it's me

I need a little time, a little space

A place to find myself again

You know? '

Oh yes, I know a goodbye when I hear

It she smiles

But her heart's already out there

Walking down the street

She says

'i don't want nobody else

I love you', she's lying

'there won't be somebody else

And that's true'

She's lying

'say you'll always be my friend

Sweet darling'

Why does she pretend?

Ain't no doubt, it' plain to see

A woman like you's no good for me

Your heart's beating at another door

I'm a done fool for to ask for more

She says

'it's like in a song, remember?

"if you love someone, set them free"

Well, that's how it is for me

And then she kisses me

And somewhere I hear a door slam

So I say 'fine'

And just hope that I'm a better liar

Than she is

She says

'i don't want nobody else

I love you'.

She's lying

'say you'll always be my friend

Sweet darling'

Why does she pretend?

Ain't no doubt, it' plain to see

A woman like you's no good for me

Your heart's beating at another

Door I'm a done fool for to ask

For more ain't no doubt, it's

Plain to see

A woman like you's no good for me

Your heart's beating at another

Door I'm a done fool for to ask

For more

'i don't want nobody else

I love you'

She's lying

'there won't be somebody else

And that's true'

She's lying

'say you'll always be my friend

Sweet darling'

Why does she pretend?

Ain't no doubt, it' plain to see

A woman like you's no good for me

Your heart's beating at another

Door I'm a done fool for to ask

For more ain't no doubt, it's

Plain to see

A woman like you's no good for me

Your heart's beating at another

Door I'm a done fool for to ask

For more
