I think its terminal, this terminal I'm waiting in.  
Could use a change of scene, it seems I've been  
repeating it.  
Another day, Another plane, Another same thing.  
Yesterday became tomorrow, That's a strange thing.  
Another string, Another strum, Another rhyme, Another  
hum.  
(Hmmm-mmm-mmm-mmmmmm)

I wanna breathe in,  
I wanna breathe in and out again.

#### CHORUS

I'm tired of putting one foot in front of the other.  
I'm weary of where it leads me to.  
I'm tired of movin on from my Father.  
Make me rest my head,  
And take a breath or two.

Simply stated, simple minded love for you  
Has simply been completely complicated  
And I'm finding  
This daily drudgery is finally catching up to me.  
Its time for this abandon to make much of You  
And less of me.

I wanna breathe in,  
I wanna breathe in and out again.

#### CHORUS

I'm tired of putting one foot in front of the other.  
I'm weary of where it leads me to.  
I'm tired of moving on from my Father.  
Make me rest my head  
And take a breath . . .

O for a slower pace,  
Moving at the speed of sound sounds like a race to me.  
O to be at ease,  
Moving at the speed of sound gets hard on the knees.

I'm tired of putting one foot in front of the other.  
I'm weary of where it leads me to

I'm tired of putting one foot in front of the other.  
I'm weary of where it leads me to  
I'm tired of movin on from my Father  
Make me rest my head  
And take a breath or two.
