Oh city, don't cry, oh city, don't cry
Is all your virgin truth turned to lies?
Are all your dreams of freedom monolith?
Is all you peace and justice so much myth?
Oh oh city, don't cry

Na na, na na, na na, na na, na na
Na na, na na, na na, na na, na na, na

Oh city, don't weep, oh city, don't weep
For even brother Satan has to sleep
And all your tragic idols rest in peace
And beautiful believers, their quiet council keep
So oh city, don't weep

Na na, na na, na na, na na, na na
Na na, na na, na na, na na, na na, na na
Oh yeah, oh yeah

Oh city, don't moan, oh city, don't moan
Inside your gates I make my wanderers home
And from your desert arms my fears have flown
Against your walls my demons, they all turn to stone
Oh oh oh oh city, don't moan, oh oh oh

Oh city, don't cry, yeah oh city, don't cry again
Is all your virgin truth turned to lies?
Are all your dreams of freedom monolith? Oh
Is all you peace and justice so much myth?
Oh oh oh oh oh city, don't cry, yeah, ah, fly away

Oh now city, don't weep, yeah city, don't weep
For even brother Satan has to sleep, oh
And all your tragic idols, well they all rest in peace
And beautiful believers, their quiet council keep
Oh oh oh oh city, don't weep, ah yeah

Na na, na na, na na, na na, na na
Na na, na na, na na, oh

Said oh city, don't moan, oh now city, don't moan
Inside your gates I make my wanderers home

And from your desert arms all my fears have flown
Against your walls my demons turn to stone
Said oh city, don't moan, yeah city, don't moan
Yeah city, don't moan, don't moan, don't moan
