### CHORUS

(Are you Johnny Ray) who wants to know  
(Are you Slim Ray) who wants to know  
(Are you Faye Wray) who wants to know  
Who wants to know (are you Stingray)  
Who wants to know (are you Link Wray)  
Who wants to know (are you Jimmy Ray)

Who wants to know  
Who wants to know 'bout me

Baby can you tell  
When you look in my eye  
You don't mess around with me  
Unless you're feeling dangerous

Are you into my scene  
Lay it on the line  
Yeah come and take a walk with me  
If you're feeling dangerous

Because I'm meaner I'm leaner  
I ain't no inbetweener  
With Aretha I'm a dreamer  
Good God I'm a believer

### REPEAT CHORUS

Who wants to know  
Who wants to know 'bout me

Well maybe we could shake it  
Down by the wall  
Do you think I'm taking liberties  
Are you dangerous

I've got to let it out  
Something in my genes  
Yeah come and take a walk with me  
If you're feeling dangerous (ooh yeah)

### REPEAT THIRD VERSE

REPEAT CHORUS

Who wants to know  
I said who wants to know  
Who wants to know 'bout me

Come on sing

Everybody jump back  
Turn around now  
Well let's do it again  
REPEAT

REPEAT CHORUS

Who wants to know  
Who wants to know 'bout me

(Are you Johnny Ray) who wants to know  
(Are you Slim Ray) good God  
(Are you Faye Wray) who wants to know  
Who wants to know (are you Stingray)  
Who wants to know (are you Link Wray)  
Who wants to know (are you Jimmy Ray)  
Who wants to know  
Who wants to know 'bout me
