Aw shucks, hush your mouth, baby you knockin' me out  
I said, shucks, a-hush your mouth, baby you knockin'  
me out

You my kind a woman, you know what it's all about  
When ya say, the sweet things, they ring all in my head  
Yeah, when ya say, the sweet thing, they ring all in my  
head

You've got me on the run, an' honey I can't leave you  
Hush hush, shut your mouth, baby you knockin' me out  
Oh, hush hush, shut your mouth, baby you knockin' me  
out

All the good in me, you know you bringin' it out, oh

Shucks, hush your mouth, baby you knockin' me out  
Hush, hush, shut your mouth, baby, you knockin' me  
out

You my kind of woman, you know what's it's all about  
When you say sweet things, [it] ring all in my head  
You got me on the run, and honey I can't stay up  
Shucks, hush your mouth, baby you knockin' me out  
Hush, hush, shut your mouth; baby, you knockin' me  
out

All the good in me, baby, you know you bringin' it out
