I'm crazy about Oklahoma, Texas so doggone big

Honey, I'm crazy about Oklahoma, you know Texas so
doggone big

Oklahoma got the oil, baby, Texas got the money to
buy it with

The girl legs so big, they look like Willie Mays baseball
bat

Honey, your legs so big, Lord have mercy, they look
like Willie Mays baseball bat

They got some long, tall ones down there an' man they
really know where it's at

Here ya have money, treat you right, if you messed up
man, ya know you sure got a fight

I'm crazy 'bout a Oklahoma, honey, Texas, so doggone
big

You know Oklahoma got the oil baby, Texas got the
money to buy it with

I hear ya man
