I'm leavin', mama cryin' won't make me stay
I'm leavin', your cryin' won't make me stay
You should have thought when you were doin' these
things, one day you would had-a pay

I'm sittin' around cryin', honey, cryin' my heart out
I'm sittin' around here, baby, woman, cryin' my heart
out
Though I'm just a country boy, woman, I don't know
what it's all about

That's why I'm leavin', the cryin' won't make me stay
That's why I'm leavin', woman, the cryin' won't make
me stay
You should have thought when you were doin' these
thing, one day you would had-a pay
