Well I tried to tell you baby
But it make no sense
Know you got me baby
Up against this fence
An' ain't that a shame, shame, shame
Shame, shame the way you do
Well, it's a shame, shame, shame
Shame, shame, on you
Well now you walk out in the evenin'
Don't even say you goin'
Six o'clock in the mo'nin'
You come walkin' home
An' ain't it a shame, shame, shame
Shame, shame, the way you do
Well, it's a shame, shame, shame
Oh it's a shame on you
Well, I be sittin' there waitin'
For you to come home
When I wake up baby
I'm sittin' there all alone
An' ain't it a shame, shame, shame
Shame, shame, the way you do
Oh, it's a shame, shame, shame
Shame, shame on you

I tried to tell you, baby, but I couldn't make no sense
Now you got me, baby, up against the fence
Ain't that a shame, shame, shame, shame the way you
do
Well, it's a shame, shame, shame, shame, shame on
you
Well, you walk out in the evening, don't say where you
going
Six o'clock in the morning, you come walking home
Ain't that a shame, shame, shame, shame the way you
do
Well, it's a shame, shame, shame, shame, shame on
you
Well, I be sitting here waitin', for you to come on home
When I wake up, baby, I'm still all alone
Ain't that a shame, shame, shame, shame the way you
do

Well, it's a shame, shame, shame, shame, shame on
you
