"Shoot Me Baby"

The woman, I love she won't treat me right
Leave in the mo'nin', stay out all night
I gotta shoot her, I gotta shoot her
I got shoot this woman, 'cause she won't treat me right

I give her my money, ev'rything I had
I get back home, find I'm feelin' bad
I gotta shoot her, I gotta shoot her
I gotta shoot that baby, 'cause she won't treat me right

Come on in this house, don't go
I'm gonna shoot you, out of this world
I'm gonna shoot you, I've got to shoot you
I've gotta shoot you woman, 'cause you won't treat me
right

Come here baby, turn your light down low
I'm gonna shoot you, won't nobody know
I've done shot you, I've done shot you
I'm gonna shoot you baby, 'cause you won't treat me
right
