Slow walkin' mama, you been makin' a fool of me  
Slow walkin' mama, you been makin' a fool out of me  
Takin' all of my money, honey, given it to your "used to  
be"

No more, honey I can tell ya, no more  
No more, Jimmy here to tell you, no more  
Got too many horses in your stall, honey, oh yes,  
somebody got to go

When it come to your woman, man, man, you don't  
even have a friend  
When it come down to your woman,  
I'm here to tell you, you ain't got a friend  
There is nothin' worser than a cacklin' rooster, oh yeah,  
a crowin' hen
