Sugar sugar mama, I can't believe that you are mine
Sugar sugar mama, I can't believe that you are mine
I start kissin' ya in the mornin' and don't stop 'til in the
evenin' time

I like your big brown eyes and the dimple in your jaw
I like your big brown eyes and the dimple in your jaws
Honey the wig that you wearin', darlin', that's my
favorite joy

Sugar sugar woman, I can't believe that you are mine
Sugar sugar woman, I can't believe that you are mine
When I can't get your sugar baby, honey, Jimmy feel
just like cryin'
