I know my baby, baby sho' gonna jump and shout
Well, I know my baby, baby sho' gonna jump and shout
When the train roll up and I come walkin' out

Hold on baby, I be home someday
Hold on baby, I be home one day
Honey, don't ya let nobody, lead my little girl astray

I've been gone so long, honey, but I'm comin' back
Honey, been gone so long, baby, but I'm comin' back
Honey, been gone so long, 'til I don't know how to act

Bye-bye, I be on my way
Bye-bye
