Well, I woke up soon one morning, I had the blues all  
'round my bed

Yes, I woke up soon one morning, I had the blues all  
'round my bed

Well, I reached for my baby, and I got these blues  
instead

I walked the street late at night till my feet turned  
soaking wet

Yes, I walked the street late at night till my feet turned  
soaking wet

Well, I asked all my friends, haven't heard talk of my  
baby yet

Just wrote a letter back home to the boys, asking them  
to please pray for my sins

Yes, I wrote a letter back home to the boys, asking  
them to please pray for my sins

Well, I'm headed down toward the ocean, I believe that  
this is the end
