Don't say nothin' if you don't know what you're talkin'  
about  
Don't say nothin' if you don't know what you're talkin'  
about  
Don't worry that 'bout your friend, knew just what you  
got

Don't start to tell your business, tellin' it to your friends  
Don't start tellin' your business, to your friends  
Gonna tell ya right now, that's where your troubles  
begin

If ya don't believe me, try it for yourself  
If ya don't believe me, try it for yourself  
If ya tell your friends, they go on an'tell someone else

When you're doin' alright, your friends are jealous of  
you  
When you're doin' alright, your friends they jealous of  
you  
They-a tell a lie on ya, try to break your heart in two
