Girl, you promised me love and devotion, yes you did
Girl, you promised you would love only me, then why
you're scared?

Girl, you promised me love and devotion, yes you did
Girl, you promised you would love only me, then why
you're scared?

Girl, you promised you would love no other man but
you let me down

Girl, you promised you would want only me but you let
me down

Girl, you promised me love and devotion, yes you did
Girl, you promised you would love only me, then why
you're scared?

Girl, you promised you would never make me blue but
you let me down

Girl, you promised that you would be true but you
turned me down

Girl, you promised me love and devotion, yes you did
Girl, you promised you would love only me, then why
you're scared?

Girl, you promised me love and devotion, yes you did
Girl, you promised you would love only me, then why
you're scared?

Girl, you promised me love and devotion, yes you did
Girl, you promised you would love only me, then why
you're scared?

Girl, you promised you would love no other man but
you let me down

Girl, you promised you would love no other man but
you let me down

Girl, you promised me love and devotion, yes you did
Girl, you promised you would love only me, then why
you're scared?

Why you're scared? Why you're scared?
