### Verse 1

You're lying to your diary, you're so creative so creative  
catch me up, who's real this time?  
am i a lie? am i a line? a pencil mark left outside  
the thought process

### Chorus

well maybe get your thinking back on track  
i'm the tempo to your heart beat and you're the knife  
stuck in my back  
maybe get your spine to make its entrance  
i'm the rhythm to your tapping feet and the melody  
behind your teeth

### Verse 2

you're lying to your diary, it's getting good it's getting  
good  
but oh no wait, which one am i?  
am i a lie? am i a line? a pencil mark left outside  
the thought process

### Chorus

### Verse 3

You're lying to your diary and i'm the ink i'm the ink  
make me up in to something better  
am i a lie? am i a line? a pencil mark left outside  
the thought process

### Bridge

(i'm all ears and all goodbyes, i'm all ears. goodbye)  
careful now you're talking fast, but i'm all ears for the  
heart attack  
you're breaking me down, always breaking me down
