It's half past three
The days on fire all around me
I don't need
To talk so helplessly
But you know
What I say is true
And you know
It's all cause of you

Cause everyone
Just aint half as tall, It seems
When you're taking hold of me
And everyday's not so far away, to reach
When you're taking hold of me
You're taking hold of me

I say today (say today)
The smile stuck right on my face
You laugh and say (laugh and say)
Well it isn't perfect, but I'll take it anyway
And you know, what I say is true
And you know, it's all cause of you

Cause everyone
Just aint half as tall, It seems
When you're taking hold of me
And everyday's not so far away, to reach
When you're taking hold of me

I'll try it my own way
And I don't know where I'm goin
And I don't know where I'm goin

I'll try it without you
And I don't know where I'm goin
Yeah I don't know

Cause everyone
Just aint half as tall, It seems
When you're taking hold of me
And everyday's not so far away, to reach
When you're taking hold of me

And you are
Taking hold of me
Taking hold of me
Yeah you know it's true
That, you are
Taking hold of me
Taking hold of me
Yeah you know it's true
That, you are
Taking hold of me
Taking hold of me
Yeah you know it's true.
