[Verse 1]

I've been dreaming something big  
taking place right here tonight  
I'm the ground and you're the water  
you bring me back to life  
I've been losing touch with all  
I've ever held on to  
but I don't think that it matters  
I'm holding on to you

[Chorus]

Everywhere I wanna go  
I wanna go there with you  
You take the rain away, but God I love the sun

[Verse 2]

I've been dreaming something big  
taking place right here tonight  
I'm the air and you're the sunrise  
giving color to my life  
I've been losing touch with all  
I've ever held on to  
but I don't think that it matters  
I'm holding on to you
