Run here baby, run here baby
Sit down on your daddy's knee
Run here baby and sit down on your daddy's knee
I just wanna tell you how you've been treatin' poor me

I'm blue and I'm lonesome
I'm blue and lonesome
Don't know just what to do

I'm blue and lonesome
And I don't know just what to do
All of my trouble is all on account of you

Can't you see, baby? Can't you see, baby?
See what you have done to me
Can't you see, baby?
See what you have done to me

You got me blue and lonesome
Now you're runnin' 'round on me
