In the evening, after the sun goes down  
In the evening, after the sun goes down  
The womens all tell me I'm the sweetest man in town

Now I've got a little woman, she's got money, marbles  
and chalk  
She bought me a fine Cadillac, man, that's why I don't  
have to walk  
In the evening, after the sun goes down  
The womens all tell me I'm the sweetest man in town

I've got a little woman, she's just as sweet as she can  
be  
I wants the whole world to know, she's all right with me,  
when in the evening, after the sun goes down  
The womens all tell me I'm the sweetest man in town
